"But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be my witnesses unto me both in Jerusalem, and in all Judea, and into Samaria, and unto the uttermost part of the earth" - Acts 1:8

Kenya/Uganda Missions

In The end of October, 2023 a three-man team headed back to Kenya, to continue the work that was planted in 2021, pruned in 2022 and proved to be productive in 2023. We were able to enter Uganda for three days and influence pastors in Iganga, Uganda and encourage and equip students at Pillar School in Iganga. We ended our time in Uganda with a leader meeting to cast the vision of RRM in Uganda.

After leaving Uganda we entered our home base in Kitale, Kenya. Our ambassador Max Odunga resides in Kitale and worked very hard to set up and implement our itinerary. We were able to bless both Ambassador Max and Pastor Ashika of RRM Kisoko with motorbikes with funds raised from our Kenya night in June. A motorbike is a life changer in Kenya. Both of our men were so grateful, and we celebrated in Kisoko. It was so awesome to see God's hand provide through the many hands of the people in The USA that gave to the work.

Visiting the New Land

We also will be purchasing three-acres of land in Kitale to establish the RRM Feeding Center. The Feeding Center will provide corn and beans for all our Kenya locations. Some of the crops will be sold, some will be utilized by our locations in Kitale, Kisoko, Turkana, and Kisumu to feed the people. Our goal is to become self-sustaining in Kenya. Meaning our Pastors and leaders can live off the land.

Turkana is a primitive place in the desert of Kenya. They have the most desperate need of anyone we have ever met. Water and food are scarce in Turkana, the people need help, and we by God's grace plan on providing water as a first step. Max will work out the logistics and Lord willing we will have a water-well in Turkana in 2024.

We preached the gospel all over Western-Kenya. We traveled over 21,000 miles in the air and on the road in 16 days. The trip was grueling but very productive. One church added fifty-people to their congregation on the Sunday after our visit! Other reports came in that the gospel we preach is the gospel that is needed in Africa. Praise God, we love our Lord and do it for his glory. We now look forward to sending larger teams to continue the work in East Africa.

At home in Rochester, we are excited about the local branches of RRM (radio, open door mission, lakeview apartments, Follow the Cloud services and concerts, Monroe Avenue street outreach and overnight prayer). RRM is a local, national, and international gospel ministry. Our mission will remain steadfast, *rescuing the lost and reviving the saved with the everlasting gospel of Jesus Christ.*

overpowered it all. We were able to get the gospel out to thousands on this crusade via, conversation, proclamation, and gospel tracts.

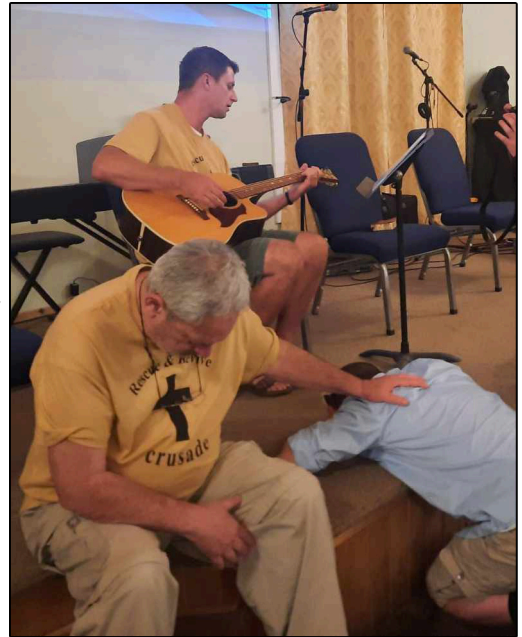

The prayer team all reported that this crusade was the most powerful. They were often overwhelmed by the presence of God on their prayer trip. The evangelism teams learned a valuable lesson. We are part of the "Air force". We fasted and prayed on Saturday collectively and all believe that in part that was the reason for the favor. *We battle not against flesh and blood (Ephesians 6)* this truth must always be remembered in front-line evangelism. As we look forward, God willing we look toward our 9th crusade in September of 2024. The need for the gospel remains critical, souls are in the balance.

Rescue and Revive Crusade

We just completed our 8th Rescue and Revive Crusade. We went to the New England states proclaiming the everlasting gospel of Jesus Christ on the Campus and in the marketplace. All of us were amazed at the favor we received. Especially as all 12 Evangelists converged the last day in the Salem Commons. God literally "gave us the land". When we approached the police at the end to thank them, an officer said, "why are you leaving?" Wow! They wanted the preaching to continue. There were literally thousands in Salem for a Jack-o-lantern festival. The foot traffic was unreal. We had so many divine appointments. Yes, there was some apathy and hostility, but the favor of God
